2000 POA Stallion Leopard 51"

Sire: Two Eyed Sonny Dam: Cams Forever Gold

“Rawhide’s” dam is two time International Champion Broodmare,
Cams Forever Gold.

His sire is International Reserve Grand Champion Two Eyed Sonny.

He is an unique individual with one of the best heads in the breed.

He is the sire of RPR’s Zippin In Heaven—the JPFC High Point pony at the 2007 International. This great little gelding was first under all three judges in both the western and the english classes. However, Rawhide’s talent as a sire did not stop there! He is also the sire RPR’s Ruby Tuesday—the Reserve Champion Select Sire Weanling Filly at the 2007 International Futurity. This exceptional little filly was first under two judges out of 48 fillies.

Rawhide himself is no stranger to the winners circle! He has an ROM in Halter and has won numerous championships in halter, longe line and in-hand trail. Rawhide and his brother, Two Eyed Tex, both won their halter classes at the 2005 International, then went on to win Produce of Dam for their mother, Cams Forever Gold.
